Dear Dr. Angtud,

In line with **R.A. 9155**, the Department of Education has to enable policies and mechanisms from which the delivery of quality basic education can be continuously improved. Chapter 1, Section 7 (5) of **R.A. 9155** states that DepEd is mandated to **“undertake national educational research and studies”** from which it can become part of the basis for necessary reforms and policy inputs.

It is our honor to present to you the Abstract of the completed action research entitled **“PERCEPTIONS OF STUDENTS IN USING WEBSITES IN LEARNING ENGLISH: PROPOSED TRAINING-WORKSHOP FOR CLASSROOM WEBSITES’**.

Based on findings, the willing student-respondents claimed that they did **strongly agree** to the sample elements of the classroom website navigational menus and they did **strongly agree** that they have understood better from the website.

The paper recommends the training-workshop of teachers in the development of Automated Instructional Materials (AIMs) through building the classroom website innovation for Senior High School Reading and Writing in the public secondary schools of Dalaguete districts 1 and 2.

In this connection, we would ask your good office to allow us to conduct the district-based training-workshop of SHS teachers on August 17-19 at Dalaguete NHS. Then, participants and trainers shall be entitled service credits in accordance with DepEd Order No. 53, s. 2003 entitled Updated Guidelines on the Grant of Vacation Service Credits to teachers.

Attached herewith are the Abstract of the completed action research paper, training matrix and other documents.

Hoping for a positive response.

Respectfully yours,

GEORGE P. LUMAYAG
